

RAWAT AL-BANEEN CO.

# COMPANY PROFILE

## ABOUT OUR COMPANY

Rawat Al Baneen Co. provides oilfield services, inspection services, and the supply of industrial solutions and accessories to major oil & gas companies, construction companies, and contractors.

Through its competent fleet of equipment and highly qualified manpower, Rawat Al Baneen Co. consistently achieves its key objectives by delivering services that meet and exceed the expectations of both national and international clients.

Rawat Al Baneen Co. operates across a comprehensive range of business activities, including:

- Engineering Inspection & Testing / Certification
- Calibration Laboratory,
- Training & Human Capital Development,
- Rent and Supply,
- Manpower Supply,
- Contracting & Construction Services,
- Oilfield & Industrial Support Services.

These integrated service lines enable the company to offer end-to-end solutions tailored to the operational and compliance requirements of its clients.

## VISION

- To be a leading and trusted provider of contracting, engineering inspection, oil services, and human capital development solutions in Iraq and the region — delivering excellence, safety, integrity, and sustainable growth through innovation, international standards compliance, and professional expertise.

## MISSION

- Rawat Al-Baneen Co. is committed to providing comprehensive contracting, engineering inspection, lifting equipment certification, oilfield services, and human resources training & development services.
- We strive to uphold the highest standards of safety, quality, integrity, and technical excellence while continuously improving our capabilities, investing in our people, and adopting best international practices to support sustainable growth in Iraq and beyond.

# Core Values

-  Act with **honesty, trustworthiness**, and setting a good example.
-  Ensure our behaviour is compliant with policies, rules, and codes of practice set by international standards .
-  **Adhere to the latest national and international legislation** and standards in all regions where we operate.
-  **Report any incidents, risks, or issues** that deviate from our policies,
-  Are continuously mindful about the importance of maintaining integrity.
-  Utilise the resources of our **accrediting bodies responsibly**, prioritising the best interests of our customers and avoiding any misuse.
-  Avoid conflicts of interest by refraining from accepting gifts, invitations, or other advantages that may compromise our principles.
-  Uphold a strict zero-tolerance policy against paying or **accepting bribes**.

# OUR SERVICES

- Engineering Inspection & Testing/ Certification
- Calibration Laboratory
- Training & Human Capital Development
- Rent and Supply
- Manpower supply
- Contracting & Construction Services
- Oilfield & Industrial Support Services

# Inspection & Certification Services

RAC provides specialized inspection, Testing, and industrial support services compliance with international standards. Our core services include:

## • Conventional NDT (Traditional Methods):

(MPI, DPT, VT, UT Shear Wave, Wall Thickness, RT, Eddy Current)

## • Advanced NDT (Advanced Techniques):

- PAUT – Phased Array Ultrasonic Testing
- TOFD – Time of Flight Diffraction
- Digital Radiography (DR / CR)
- Automated Ultrasonic Testing (AUT)
- Advanced Eddy Current (ECT Array)
- Long Range Ultrasonic Testing (LRUT)

All our certificates have QR codes for validation and can be accessed online through the RAC Certification Portal using clients' unique credentials.

# Inspection & Certification Services

## Inspection & Certification Services Include:

- ✓ Lifting equipment and accessories
- ✓ Scaffolding Inspection
- ✓ Lifting Coaching, Planning & Supervision
- ✓ Rig Move & Lashing Control

All services are delivered by qualified personnel using approved procedures to ensure safety, reliability, and operational excellence.

# Inspection & Certification Services

## Inspection & Certification Services

- ✓ Drill stem Inspection & OCTG  
(Drill Pipe, Drill collar, HW drill Pipe, Various drilling tools, Tubing, Casing)
- ✓ Rig Survey & Inspection
- ✓ Dropped Object Survey
- ✓ Rope Access Services
- ✓ Rig Move & Lashing Control

All services are delivered by qualified personnel using approved procedures to ensure safety, reliability, and operational excellence.

# Fire Extinguishers & Fire Protection Systems Inspection

Rawa't Al-Baneen Co. (RAC) provides professional inspection, testing, and maintenance services for fire extinguishers and fire protection systems in compliance with international standards and local Civil Defense regulations.

Our services include visual inspection, annual maintenance, hydrostatic pressure testing of fire extinguishers and **functional** testing of fire hose reels and regulators to ensure operational readiness and workplace safety.

**RAC ensures that all inspected equipment** meets the required safety standards, and we issue official inspection reports, certification labels, and **maintenance documentation** to support regulatory compliance and HSE requirements.

# Calibration Laboratory

RAC Calibration Laboratory offers precise and reliable services tailored to meet the needs of industries, government bodies, and regional projects.

## Laboratory Services:

- ✓ Pressure Calibration
- ✓ Safety valve (HYD + Pneumatic ) Up to 700 bar
- ✓ Pressure Test (HYD + Pneumatic) up to 2000 bar
- ✓ Torque Calibration
- ✓ Temperature Calibration
- ✓ Electric devices (source + measure )
- ✓ Sound Level Meters
- ✓ Dimension Calibration
- ✓ Infrared Thermometers
- ✓ Thermal Mapping

RAWA'T AL BANEEN CO.

# Lifting Training Courses

As a dedicated lifting services provider, RAC delivers a comprehensive range of lifting training programs designed to meet both basic and advanced competency levels. Our courses focus on promoting safe lifting practices, eliminating unsafe behaviors, and strengthening operational safety awareness across all workforce levels.

## Our Courses Include:

- ✓ Mobile Crane Operator
- ✓ Overhead Crane Operator
- ✓ Forklift Operator
- ✓ Lifting Planner
- ✓ Lifting Supervisor
- ✓ Advanced Lifting Operation
- ✓ Lifting Equipment Inspection
- ✓ Tower Crane Operator
- ✓ Rigging Loft Controller
- ✓ Banksman
- ✓ Lifting Competent Person
- ✓ Lifting Team Duties and Responsibilities (VOC)
- ✓ Aerial Lift Operator (Manlift—Scissor)

RAWA'T AL BANEEN CO.

# HSE Training Courses

## Our HSE Courses Include:

- ✓ General HSE Awareness
- ✓ Risk Assessment & Hazard Identification (HIRA / JSA)
- ✓ Permit to Work (PTW) System
- ✓ Confined Space Entry
- ✓ Working at Height
- ✓ Fire Fighting & Emergency Response
- ✓ First Aid & CPR
- ✓ Defensive Driving
- ✓ Incident Investigation & Reporting
- ✓ PPE Awareness & Safety Compliance
- ✓ H2S Awareness & Safety

# Rent and Supply Equipment

RAC offers professional equipment rental and supply solutions, delivering certified tools and accessories to support safe and efficient operations.

## Rent and Supply Equipment Include:

- ✓ Mobile Cranes up to 500 ton
- ✓ Crawler Cranes up to 500 ton
- ✓ Lorry Loaders up to 25 ton
- ✓ Forklifts
- ✓ Manlifts & Scissor Lifts
- ✓ Wheel Loaders
- ✓ **Civil Equipment**  
(Excavators, Backhoes, Compactors, Generators, etc.)
- ✓ Spreader Beams
- ✓ Lifting Accessories  
(slings, shackles, hooks,...etc.)

# Oilfield & Industrial Support Services

## ◆ Maintenance equipment Services of Drilling and Workover Rigs include:

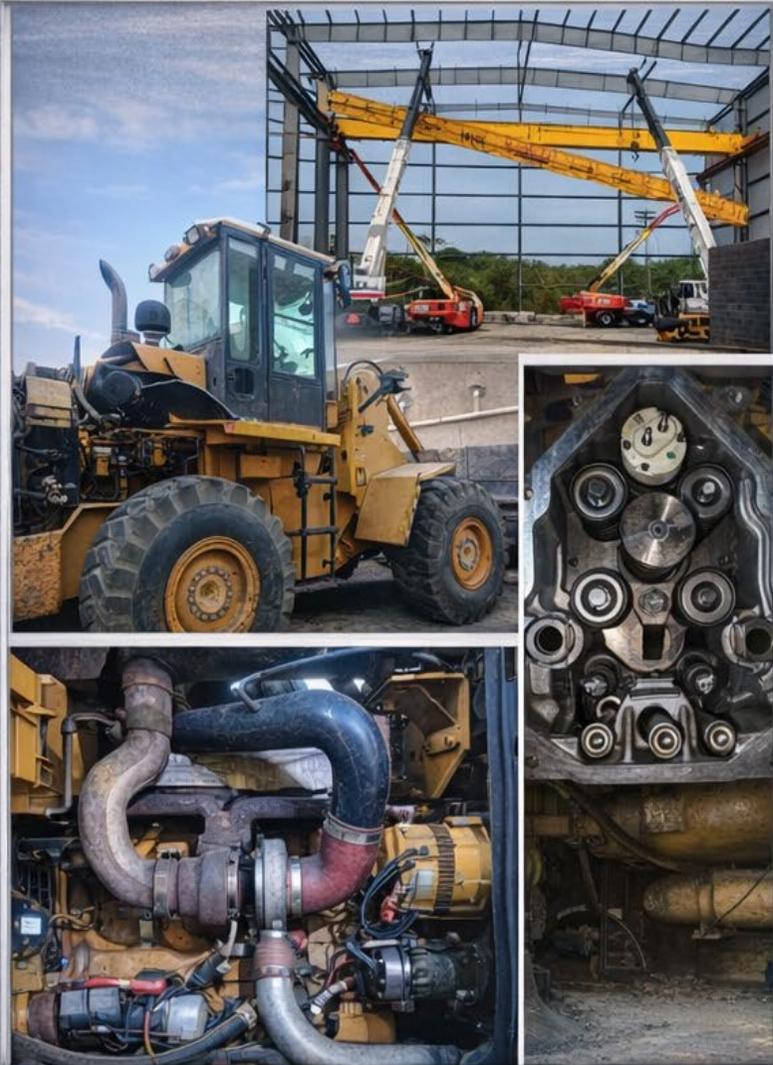

### ◆ Mechanical Maintenance and Repairs /provide spare parts:

- Power Units & Engines
- Rotating Equipment
- Top Drive System
- Hoisting Systems
- Hydraulic Systems
- Mud Pumps

### ◆ Electrical Maintenance and Repairs /provide spare parts:

- Electrical teams ensure the rig's power distribution and control systems remain stable in harsh environments.
- Power Generation
- Grounding & Safety
- Emergency Systems
- Ex-Proof Compliance:
  - Control & Sensors

# Oilfield & Industrial Support Services

## ◆ Installation & Maintenance of civil and heavy lifting equipment

- Overhead Cranes
- Gantry Crane
- Mobile Crane
- Forklift and Wheel Loader
- Manlift
- Ginie and scissor lift
- Trailer truck
- Tanker
- Excavator
- Grader
- Others

The image is a composite background. On the left, two men in business suits are seated at a table, looking at a laptop and a tablet. On the right, two welders in protective gear are working in a dark industrial setting, with bright sparks emanating from their work area. The overall color palette is dark blue and black with yellow highlights.

# Fabrication Works

Rawa't Al Baneen Co. (RAC) provides comprehensive fabrication services involving the transformation of raw materials—primarily carbon steel, stainless steel, aluminum, and other industrial metals—into high-quality finished structures, machinery, and custom-engineered components.

Our fabrication activities are project-specific and executed in accordance with approved engineering drawings, international standards, and client specifications, ensuring durability, precision, and structural integrity across

- ✓ **Cutting:** Carbon steel, stainless steel, and aluminum
- ✓ **Forming & Bending:** Press brakes and rollers
- ✓ **Welding:** MIG, TIG, Stick & FCAW
- ✓ **Machining:** Lathes, Mills & Drilling
- ✓ **Assembly & Finishing:** Sandblasting, Painting & Galvanizing

# Civil Works

**Rawa't Al-Baneen Co. (RAC)** provides comprehensive civil works services covering infrastructure **development**, site preparation, structural works, and utility systems for public and private sectors.

Our services include **roads, bridges, drainage network, earthworks, foundations, concrete structures, demolition, and rehabilitation projects**—executed in accordance with approved engineering standards to ensure safety, durability, and long-term performance.

- ✓ **Roads, bridges, drainage networks**
- ✓ **Earthworks, foundations, and concrete structures**
- ✓ **Demolition and rehabilitation projects**

RAWAT AL BANEEN CO.

# QUALITY CERTIFICATIONS & PROFESSIONAL ACCREDITATIONS

Rawa't Al-Baneen Co. (RAC) is committed to maintaining the highest standards of quality, safety, and operational excellence. Our certifications and accreditations reflect our compliance with international standards and our dedication to continuous improvement across all service sectors.

**ISO 9001:2015 Certificate**

**ABS Global Certificate of Compliance**  
Rawa't Al Baneen Company (RAC)
